PERSONALIZATION

We offer a personalized option from; the minutes, signage, to the centerpieces, flower arrangements and all kinds of decoration in order to provide a unique service. Together with professionals in the event world, our team offers a close and personal service, so that each event is as unique as our clients' dreams.

All food and beverage stations have their own decoration making each event different and unique. We take care of every detail and adapt it to the client's wishes, playing with the color of the company and taking into account any other important aspect for the client. We want our client to feel identified in all aspects of the event such as gastronomy, set-up...

1

DECORATION

We offer the option to customize from floral arrangements, lights, art installations and all types of decorations in order to offer a service that makes each event unique.

2

MINUTES & SIGNS

We offer minutes with logo, allergens and personalized messages. We also offer the option of minutes through QR codes in different languages.
